

Dying Matters Awareness Week – A compassionate conversation and gathering

Tuesday 11th May, 6pm to 7.30pm, Kali Woods, Beccles Road, Holton, Halesworth, IP19 8NQ

Kinda Education is proud to be taking part in Dying Matters Awareness Week. This week is a chance for communities to come together and open up the conversation around death, dying, and bereavement.

This evening will be held around a campfire and include well-being activities, reflection, and remembrance. This is a chance to find out more about Compassionate Communities in and around Halesworth and the multi-generational work of Kinda Education.

If you need to get in touch before this session, please email us at compassionate.communities@stelizabethhospice.org.uk or call us on 07568 428265.

This event is part of a programme of online events during Dying Matters Week.

To mark Dying Matters Week 2021, St Elizabeth Hospice is joining forces with St Helena Hospice and St Nicholas Hospice Care, to offer guidance on how communities can better support one another.

Every year, Dying Matters Awareness Week is held to encourage communities, individuals, and organisations to come together and open up the conversation around death, dying, and bereavement.

We would love to welcome you around the fire at Kali Woods. We will be sharing stories and cake and crafting as we go.
